

CIO and IT Executives Advisory Board

Center for IT and e-Business, College of Business

University of Illinois at Urbana-Champaign

The CIO Advisory Board was started in 2007 with John Seral, CIO, GE Infrastructure being the founding member. Currently we have the CIOs or VPs in IT from State Farm, Walmart, Monsanto, Caterpillar, SPSS, The Nelson Group, Sigma Aldrich and a number of other prominent CIOs and IT executives on the CIO Advisory Board.
